

Parental Responsibilities for Children at SCA Events

We want to ensure that you & your family have an enjoyable & safe event that is filled with fun activities & friendship. Please keep in mind the Society's guidelines for the safety of your precious children:

Parents, legal guardians or temporary guardians as recorded on the “designated adult in charge of a minor form” are responsible for the children that they bring with them to an event.

It is the parents or designated adults' responsibility to know the location & activities of the children at all times.

There must not be an expectation of other adults to supervise or control minors that may wander off during an event.

Children that are 4 years of age and younger are not allowed to be unsupervised without their parent/legal guardian, even at Children's Activities.

A child 11 years of age and younger should be in eyesight & earshot of parents, designated adult(s) or teenager(s) at all times. It is suggested that children in this age group not to be allowed to wander freely at official events; & that they are periodically checked on to ensure their safety and appropriate behavior.

Children that are 12 years of age & younger are not considered suitable babysitters.

Thank You!
