Description of item \_\_\_\_\_

Judge's Name \_\_\_\_\_

## 1. Documentation (0-4) \_\_\_\_\_

Note: If the entrant does not have written documentation then if possible request that they give you oral documentation by simply asking them to describe their work and how and why they did it. The age of the entrant needs to be taken into account when evaluating documentation.

- 1: Good start
- 2: Solid work
- 3: Very Impressive
- 4: Almost Perfect

## 2. Complexity (1-4) \_\_\_\_\_

Note: Complexity is specific to the type of item, and entries should not be judged against how complex another type of item might be. Rank the ambition of the item, not the success of the result.

- 1: Great work on a one step process
- 2: Solid work on a two step process
- 3: Very Impressive work on a multi-step process.
