February 7, 2022

**Atlantian COVID-19 Requirements**

This plan outlines the safety standards and procedures the Kingdom of Atlantia will be following in order to allow official SCA in-person events and activities. It does not obligate any branch to hold, or individual to attend, any activity. This plan is effective January 12, 2022 for all official branch activities and events and is approved by the Crown, Kingdom Seneschal and Great Officers. Expect further revisions to this document, as necessary.

We will continue to assess the pandemic environment and make changes going forward as needed, to relax or tighten existing restrictions as the situation allows. No matter what safety precautions we put in place, there is no substitute for each individual being educated about the risk to themselves and their loved ones, and making responsible choices to protect themselves and others from this virus. Attendees must abide by all mandated venue, state, district and local rules and restrictions.

**Mandated Requirements**

When there is a discrepancy between Mandated Requirements and SCA restrictions, follow the more restrictive requirement.

**Requirements for Participation**

There are no SCA restrictions on event or activity size unless the Mandated Requirements for venue, local, district or state guidelines are more restrictive. For example, some venue, local and state governments do not allow gatherings above a certain size. Those restrictions must be followed and enforced.

In Atlantia an ‘Event’ is a registered official event on the Atlantia Kingdom Calendar, an ‘Activity’ is an A&S, business meeting, marshaled practices, etc. announced via any local official SCA medium whether Facebook, elist or newsletter.

In addition to the normal sanctions process, anyone challenging event staff regarding the enforcement of this COVID policy shall be denied entry to or be immediately removed from the event or activity.

**Proof of Fully Vaccinated Status or Negative COVID Test**

Effective October 18, 2021 the Kingdom of Atlantia implemented the SCA COVIDSafe policy requiring proof of COVID vaccination or a negative COVID test taken 72 hours or less before an event/activity start time for all event and activity attendees. Proof of being fully vaccinated must be in the form of a government issued card (original or photograph) or an electronic record. **Proof of vaccination or a negative COVID test shall not be required for children under 5.** **Proof of Vaccine or a Negative COVID test is required for children 5-17.** **Proof of vaccination or a negative COVID test shall not be required for children who are ineligible by virtue of their age.**
Proof of negative COVID test must be issued from a licensed medical provider and presented in such paper form or electronic form that the event staff can verify its authenticity. Letterhead from a medical provider or an email address clearly identifying the medical provider as the sender of an electronic record shall constitute authentic proof.

All persons over the age of 18 must present government issued photo identification or proof of current SCA membership along with the proof of being fully vaccinated or a negative COVID test. Parents and guardians of minors must present their own identification along with proof of being fully vaccinated or a negative COVID test for all minors attending an event in their care.

In addition to the normal sanctions process, anyone challenging event staff regarding the enforcement of this COVID policy shall be denied entry to or be immediately removed from the event. Please read the SCA FAQ's for commonly asked questions COVIDSafe FAQs.

Mask Requirements

Masks are required indoors for everyone age 3 and up regardless of vaccination/negative Covid test status (check your local requirements in case younger ages are required to mask). Masks are required for age 3-11 both outdoors and indoors. Masks are required for unvaccinated persons. Masks are encouraged outdoors for vaccinated persons age 12 and up in close contact especially when outdoors near people who don’t live in your household. Masks are required in crowded outdoor settings such as court, or if you are requested by staff to mask to interact with them (ex: the check-in staff may request you mask to go through the check-in line, you are required to comply). **Masks may be removed outdoors when you are with your ‘Pod’ (the Pod is defined as the people you feel comfortable around unmasked). Be courteous and thoughtful around those outside your Pod.** Fully vaccinated individuals are not required to wear masks while participating in martial activities, including but not limited to armored, rapier, cut and thrust, and rebated steel combat, conducted outdoors. Masks are required outdoors whenever required by the CDC, venue, state, or local requirements. All staff are required to be aware of more restrictive guidelines for a venue or locality. All individuals wearing facemasks should do so correctly, covering the mouth and nose. Attendees are on their honor to wear masks in accordance to SCA, Atlantia and CDC guidelines.

Food and Drink Requirements

Event and activity staff cannot provide ‘water bearing’ of any kind. For the purpose of this document ‘water bearing’ is defined as providing water to individuals from a shared source (squirt bottles/shared bottles). Water may be given out in individual sealed water bottles. Multi-gallon self-serve water coolers may be made available for filling individual personal drink containers. Attendees are encouraged to provide their own food and beverages. Attendees who accept shared drinking containers or buffet-style food from other attendees do so at their own risk. Third-party food trucks are allowed. An event may choose to provide paper cups to avoid personal drinking vessels from accidently coming into contact with the spigot of a water.
Feasts and day boards will be allowed, with the following restrictions:

- All Cooks will be masked indoors or outside,
- Servers will be masked and gloved, if the populace is retrieving food to serve their table they must be masked and gloved,
- When practical, event and feast stewards are strongly encouraged to move feasts outdoors,
- No pitchers or shared drinks will be served at tables,
- Seating is encouraged to be limited to close relationship 'family' members per table,
- Tables must be a minimum of 8 feet apart,
- Every feast steward should have an "expeditor," if possible, whose job it is to ensure separation between the feast crew and populace.

**Pre-Reservation Requirements**

All Events in Atlantia require pre-registration. The SCA reservation system (SCA-RS) is available online for pre-paid registrations. SCA-RS is encouraged but not required for prepaid preregistrations; cash, money orders, and checks, may still be used. Groups may offer attendees the ability to pay via check, cash, or money order in addition to SCA-RS. While Prepayment requirements are in effect each group is encouraged to have at least 2 pre-reservations for newcomers, these newcomer pre-reservations cannot be paid for out of SCA funds. Pre-payment is required to minimize contact with the event check-in staff. Camping and weekend (2 night maximum) events are allowed in Atlantia, where permitted by modern authorities.

Contact the Kingdom Seneschal to request a variance if your group wants to host an activity or event at a site requiring ONLY proof of negative Covid Tests.

**Document Requirements**

The SCA Health Notice sign (see below – page 7) must be printed and prominently displayed at the entrance to all SCA Events and Activities (Events, business meetings, A&S activities, and martial practices). This language is required to appear on all event notices, flyers, online announcements, and advertisements, including event gate [Registration], and must be posted in multiple locations at all SCA-sponsored functions going forward. The Kingdom may have multiple people at gate checking the proof of being fully vaccinated or a negative COVID test at an event. The activity or event organizer, or their designee, shall maintain a list of names and times of the person(s) conducting the check at the entrance. Everyone who does this check in will sign a statement with the list of names and times, the COVIDSafe Check in Register (see below page 5). Events may divide the entrants by first letter of last name (for example, one person for A-H, one person for I-M, etc.). The Check in Register must be sent to the Kingdom waiver deputy, contact them at waivers@atlantia.sca.org with any questions.

In addition to providing proof of vaccination or a negative Covid test to attend, all individuals attending Activities and Events (marshaled practice, A&S, business meetings, Events, etc.) must provide both a modern legal name and contact information on the Sign In Sheet for activities (see below page 6), or Event check in (pre-registration/troll). If they do
not provide this information, they may not attend. The Sign In Sheet is to facilitate official
government health agencies with contact tracing for activities, and will be supplied only if
requested by those agencies. No one in the SCA will be contacting anyone if the information
has been requested by a health agency; it will be the agencies that do all notification, unless
the Public Health official requests the SCA do so. The sign in sheet will be kept for 60 days in
a secure location by the Seneschal of the local group. After which it should be destroyed by
shredding or burning, NOT recycled or thrown in ordinary trash.

We strongly encourage events continue safety practices like having plenty of hand sanitizer
throughout the event, having some disposable masks on hand, cleaning high-touch areas
etc. Safety measures should be described in the event listing for better transparency with
the populace.

All attendees at marshaled practices or events must prove they have a signed waiver on file
at the SCA corporate office (proof of membership) or they must sign the standard SCA
waiver.

Do not join any activity if you are exhibiting symptoms related to COVID-19 such as fever,
sore throat, cough, headaches, body aches, or sudden loss of taste or smell.
The requirements of this plan are mandatory and branch officers or activity coordinators
must enforce the requirements. Because COVID-19 virus circulation varies in communities,
these requirements are meant to supplement – not replace – any state, local, or tribal health
and safety laws, rules, and regulations with which gatherings must comply. The CDC
guidelines can be found at www.cdc.gov/coronavirus.

The SCA has always been built on the ideals of chivalry and courtesy. We expect that people
will always display these values, and respect an individual’s personal choices regarding
their own health and safety. As we continue to deal with the Covid-19 pandemic there will
undoubtedly be bumps, and yet we know our Kingdom will continue to thrive and grow as it
has for the past year. There are changes ahead, and new friends to be made, both virtually
and personally.

Vivat Atlantia!
**COVIDSafe Check in Register**

This register is to be signed by each person checking ID and Covid vaccination proof or Negative Covid Test Proof. No minors (under 18) may check Vaccinations or Tests.

"I have monitored the event entrance at the times noted above, and I have verified that each person age 12 and over with last names ______ through ______, entering the event during that time to have shown me proper identification, along with either proof of being fully vaccinated or a negative COVID test taken within 72 hours of the start of the event."

(Send to Kingdom Waiver Deputy)
SIGN IN SHEET FOR ATTENDEES

The responsible party for this activity MUST collect a name and contact information for each attendee upon arrival at the activity site. If the attendee refuses to provide this information they may not remain at the site. In addition, valid proof of membership or a signed waiver is still required for all martial activities. This sheet is to be used for contact tracing if necessary. The sheet is to be turned over to the Branch Seneschal, after the activity and kept for 60 days. Then shredded or destroyed on day 61.
